Description

Blizzard brand ski helmet. The Speed helmet in black and green is a combination of modern design and functionality. Ultralight partial inmild technology ensures the strength and durability of the helmet.

The inner polyester lining provides comfort when wearing. The size of the ski helmet can be smoothly adjusted using the system on the back. Passive ventilation ensures optimal breathability. A ski helmet is a great choice for winter sports activities.

Take [a functional Blizzard cap](#) under your helmet , which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
