### Description

Blizzard women's ski helmet. The Viva Speed model in pink and gray is an ultra-light helmet with passive ventilation. It is characterized by a solid construction and durable material. The inner polyester lining provides comfort when wearing.

The size of the ski helmet can be smoothly adjusted using the system on the back. A ski helmet is a great choice for various winter sports activities.

Take [a functional Blizzard cap](#) under your helmet , which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
