Description

Blizzard brand ski helmet. The Storm helmet has a timeless design. Light Inmold technology will take care of strength and durability. The ventilation is adjustable.

Soft polyester lining is a guarantee of comfort. The size of the ski helmet can be smoothly adjusted using the system on the back. A ski helmet is an excellent choice for winter sports.

Take it under your helmet [a functional Blizzard cap](#) that has several advantages. For hygienic reasons, the helmet lining does not need to be washed as often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
