### **Description**

Blizzard brand ski helmet. The ski helmet with the Double Visor shield in black will convince you not only with its modern appearance, but also with its functionality. Ultralight double inmold technology ensures strength and durability. The inner polyester lining is antibacterial. Its advantage is that it can be removed and washed in a washing machine.

The helmet has adjustable ventilation. The height of the ski helmet is also adjustable. A ski helmet is a great choice for winter sports activities.

Take [the functional Blizzard cap](#) under your helmet , which has several advantages. For hygienic reasons, the helmet lining does not need to be washed so often, and for practical reasons it is another thermal insulation layer. The cap is designed so that you hardly feel it under the helmet.
