Description

Blizzard brand women's gloves. Viva Davos ski gloves will especially appeal to ladies who prefer a design with clean lines. Small crystals add femininity to these trendy fashion gloves. Skiing gloves are a must-have item for all stylish skiers.

The strength of Blizzard gloves is high water resistance and breathability. The inner lining of the ski gloves is not only comfortable, but also antibacterial. The polyester filling takes care of the warmth of the hands. Women's winter gloves are ideal for skiing, snowboarding and winter leisure activities.
