Description

Blizzard children's glasses. Sports sunglasses will go with you anywhere! Modern sunglasses meet the strictest quality parameters and are suitable for both leisure and sports activities. Branded glasses have high-quality polycarbonate lenses to protect against sunlight and UV radiation, so they reliably protect your eyesight.

Children's sunglasses also fit nicely on the face thanks to the frame made of softened plastic. Glasses for children have a modern design with a clear frame with blue lenses.

• In our blog, we will advise you [on how to measure the size of glasses](#) •
