Description

Ziener men's gloves. Ski gloves Garwen GTX in black will appeal to you with great functional features. They are equipped with a GORE-TEX membrane, which ensures waterproofness, wind resistance and breathability at the same time.

The cut of the winter gloves is ergonomically adapted to the natural shape of the hand and offers high wearing comfort. The wide velcro strap in the wrist area allows the gloves to be comfortably worn under the jacket and ensures a perfect fit on the wrist.

Winter gloves are the perfect choice for skiing, snowboarding, sports and leisure activities.
