### Description

Under Armor men's T-shirt. Men's T-shirt with short sleeves is suitable for exercise or training. The gray T-shirt surprises with its functionality. It is made of ultra-light material that wicks away sweat perfectly and will keep you dry throughout the exercise. The men's training shirt is suitable for all kinds of sports and leisure activities.

The branded t-shirt has a loose cut, so it fits every figure. Pleasant material guarantees comfort and you can concentrate on your performance. The cut of the men's t-shirt does not hinder movement thanks to its raglan sleeves. The sports t-shirt uses Anti-Odor technology, which prevents odors and keeps you fresher for longer.
