Description

Children's trousers of the brand Authority. Nusko ski pants are designed in a modern sports design. The heaters have excellent functional properties. The ski pants are water resistant and windproof. Adjustable straps are an advantage of children's warmers. The advantage of waterproof trousers is the softshell material from which they are made. The fleece lining will keep you warm even in cold weather.

The waist of the ski pants for children is easily adjustable with Velcro. There is also a zipper at the bottom of the ski pants for a better fit of the ski pants. There are also two side zip pockets. Black warmers are ideal for winter sports activities and free time.
