Description

Crocs brand sandals. The LiteRide Clog model for juniors is characterized by the use of LiteRide™ foam, whose main function is comfort with every step.

Sandals in pink-gray-white color version have a perforated upper for greater breathability. There is a strip in the heel area that serves for a better fit. Crocs in a stylish design are a good choice for leisure activities, the pool or the beach.

Product details:

- insole with LiteRide™ foam
- odor resistant, easy to clean and quick drying
- non-marking sole
- waterproof and light
- fully molded Croslite material™ construction for maximum lightweight cushioning and durability
- strap for a secure fit

Material:

- Croslite™ - is a patented extruded resin material, it is not a synthetic material or rubber. Prevents sweating, odor, mold and bacteria formation. Ergonomic shape with a proven significant reduction in the feeling of tired legs with regular use.
