### Description

Men's shorts from the brand Authority. Men's shorts appeal with a stylish yet timeless design. You can easily combine short pants for men with t-shirts and boots of different colors and always create a great style. The men's shorts have a belt with a metal buckle, thanks to which you can adjust the waist of the shorts as needed.

Shorts for men made of soft cotton material provide all-day wearing comfort. Authority shorts are very comfortable to wear . By adding spandex to the fabric, the men's shorts are flexible and adapt better to the figure. The benefit of branded shorts is the side and back pockets, which are used to store small items such as mobile phone or wallet. Yellow shorts are excellent companions for everyday wear, in the city, on vacation, trips and free time.
