### Description

Men's shorts from the brand Authority. The shorts for men impress with their stylish yet timeless design. You can easily combine men's shorts with t-shirts and sneakers of different colors and always create trendy styling. The men's shorts have a belt with a metal buckle, thanks to which you can adjust the waist of the shorts as needed.

Short pants for men made of soft cotton material are a guarantee of all-day comfort. Authority shorts are very comfortable to wear . By adding spandex to the fabric, the men's shorts are flexible and adapt better to the figure. The advantage of branded shorts is the side and back pockets, which are used to store small items such as mobile phone or wallet. Gray shorts are excellent companions for casual wear, to the city, for vacations, trips and free time.
