### Description

Men's shorts from the brand Authority. Shorts for men are designed in a modern style. You can combine men's shorts with T-shirts of different colors and you will always create a great fashion look. The men's shorts have a belt, thanks to which you can adjust the waist of the trousers as needed.

Men's shorts delight with soft cotton material that is extra pleasant to wear. By adding spandex to the fabric, the men's shorts are flexible and conform better to the figure. The plus of short pants for men are the side pockets and pockets in the thigh area, which will serve to put away small things such as mobile phone or wallet. Red shorts are a very good choice for casual wear, for the city, for vacations, trips and free time.
