Description

Boot doc shoe insoles. Attractive sports insole design for juniors.

Product details:

- Ergonomically shaped insole for children and youth
- Mesh upper material with built-in anti-odor function

Advantages of Boot Doc insoles:

- they take into account the individual foot type according to the arch
- they take into account the imbalance of the left and right foot
- they help the even distribution of pressure and thus limit the formation of pressure sores
- excellent shock absorption
- they optimize the transmission of forces during movement
- they stabilize the foot and thereby reduce the risk of injury, protect ligaments, tendons and muscles
- they improve the posture of the whole body
