Description

Voxx knee socks. The knee socks appeal not only with their sporty design, but also with their functionality. The advantage of knee pads for roller skates is high breathability. Knee socks for ladies with pink elements are made of terry knit, which is extremely comfortable and pleasant to wear.

In-line knee socks will please you with a soft hem and lined terry zones. CoolMax material ensures dryness during sports activities. The knee socks were designed to be worn in roller skates. Also ideal for various sports activities. Knee socks belong to temperature class A: from +10°C to +35°C.
