Description

Authority brand children's shoes. Children's sneakers in white - pink version were designed in a modern design. An interesting element is the inscription Authority on the side. The boots are easy to put on and take off thanks to the velcro fastening.

Sneakers for children provide all-day comfort. They have a soft inner insole and padding. The sole is optimally flexible. Girls' boots are excellent companions for everyday wear, to school, to clubs and free time.

Product details:

- breathable upper
- reinforced toe of the shoe
- velcro fastening
