Description

Men's footwear brand Anta. Taltal boots attract attention with their stylish appearance. If you want to be trendy even when playing sports, these sneakers are must-have footwear that you must not miss. The upper part of the sports sneakers made of breathable mesh ensures excellent air ventilation. The back of the boots for men is reinforced with additional material.

Sports boots have a midsole, which is a guarantee of cushioning and shock absorption. The padded interior ensures comfort during exercise. Black sneakers with green elements are great companions for various sports, training, exercises and active leisure time. They are also suitable for the fitness center.

Product details:

- mesh upper
