Description

Under armor brand socks. Heatgear Locut socks in white provide support and flexibility. Sports socks are decorated with gray details and the brand logo. They adapt perfectly to the feet. Anti-odor technology will take care of the elimination of unpleasant odors. The package contains 3 pairs, so buying them is really convenient.

Branded socks are made of light material with excellent functional properties. Under armor socks perfectly wick away sweat and guarantee excellent breathability. They have a higher cut. Socks for men are great companions for everyday wear and leisure time. The UA brand is a guarantee of 100% quality, customer satisfaction and style.
