Description

Women's compression bra from Under Armour. The Seamless bra is a combination of trendy design and functional features. The pleasant knitted material offers excellent air ventilation. Thanks to the Signature Moisture Transport System, the sports bra has optimal sweat drainage. For better shape and comfort, the bra has soft removable padding. It is suitable for cup sizes from A to C.

The compression bra impresses with its wide waistband with UA lettering and logo and crossed straps on the back. It is intended for sports and leisure activities.
