### Description

Under Armor men's pants. Thanks to the high proportion of cotton in the material, the sweatpants provide great wearing comfort. The Rival fleece jogger model in gray has a soft inner layer. Sweatpants impress with their sporty design. They have a narrow cut at the bottom, which is very trendy at the moment.

Sweatpants for men feature the Signature Moisture Transport system technology, which ensures excellent moisture removal and keeps the athlete dry. Men's sweatpants are a great choice for sports and leisure activities.
