Description

Blizzard women's helmet. The Viva Spider ski helmet will enchant ladies who like the design of clean lines. The ski helmet was made with In-mold technology, which guarantees the strength and durability of the helmet.

The ski helmet is easily adjustable in size using a system located on the back of the helmet. The ventilation holes on the Blizzard helmet ensure excellent breathability. The pleasant inner insole is a guarantee of comfort during sports activities. The pink helmet for ladies is ideal for winter sports activities.
