### Description

Ziener men's gloves. Elegant, black ski gloves for men in a modern design will find a place in your ski equipment. Thanks to their Gore-Tex membrane, they are extremely warm, waterproof, windproof and at the same time guaranteed to be breathable. The warm and soft PrimaLoft® lining ensures pleasant warmth inside the gloves for the entire duration of skiing.

Gloves for winter are exceptional with their elastic material, they are comfortable to wear and provide freedom of movement of the fingers. Dry zippers ensure a perfect fit on the hand, and loops for changing clothes around the wrist ensure protection against loss. Ideal for skiing, snowboarding or other winter outdoor activities.
