### Description

Bicycle brand Spokey. The folding magnetic exercise bike XFIT + is designed for users who need a small fitness machine combined with great performance. A magnetic exercise bike will be a great addition to your home gym.

You can exercise safely, comfortably and intensively with an exercise bike. Thanks to 8 levels of resistance , the regulation of which is at your fingertips, you can easily adjust the intensity of your training.

Rotoped XFIT + is a combination of minimalism with practical solutions. After training, you can easily take down the exercise bike and store it in a suitable place . Even during bad weather, you will be able to do a quality workout at home and make it more enjoyable by listening to your favorite music or watching your favorite series.

The operation of the magnetic exercise bike is quiet, smooth and reliable . XFIT + is great for beginners, advanced athletes, seniors or people after injuries as a form of rehabilitation. The strong construction of the Spokey XFIT+ exercise bike has a load capacity of up to 100 kg.

The magnetic exercise bike is equipped with a vertically adjustable seat , which you can adjust according to your height. The pedals have a non-slip structure and for even more safety we have used fastening tapes that keep the foot in a stable position . In addition, the handles are covered with neoprene, which prevents the hands from slipping during exercise.
