Description

Blizzard brand ski goggles. Skiing glasses appeal to trends with a sporty look. The advantage of Blizzard glasses (model 912) is that they are also suitable for skiers with prescription glasses. When skiing, you will definitely appreciate the anti-fogging lenses. The Blizzard ski goggles strap is easy to adjust. *You can replace the mirror visor and exchange it for a spare visor, which is ideal in case of worse weather.*

Blizzard ski goggles are designed and developed in accordance with EN 174: 2001 to support your comfort while skiing. All blizzard ski goggles are compatible with Blizzard helmets.
