

## Hockey stick FISCHER-CT150 Grip SR-L/80 flex I

**Available sizes**

**Reference number**

**Ean number**

**Quantity**

**Suggested retail price:** 59.99 € s DPH

### Description

Fischer hockey stick. The hockey stick has Cap Tech technology and is intended for hobby and beginner players, or hockey ball players.

The Fischer hockey stick is made using a single Mono-Comp-Tech process. The blade is suitable for all types of inline surfaces, including asphalt. The Fischer hockey stick is gripped, which extends its life. At the same time, it ensures a perfect stick grip in the glove and thus better work with the hockey stick and then the puck.

### Product details:

- weight: 590 g
- hockey stick length: 166 cm
- length to heel: 152 cm
- gripped
- flex (bending): 80
- bend: left
- suitable for all inline surfaces, including asphalt

### How to proceed when choosing the right hockey stick/blade bend?

- If you hold the hockey stick with your left hand down, order the L side (bend the blade to the right)
- If you hold the hockey stick with your right hand down, order side P or R - (blade bend to the left)
