### Description

Anta brand women's shoes. Jarpa boots impress with their modern design, which is based on clean lines. Women's sneakers are perfectly combined with many outfits. Women's boots go well with T-shirts and trousers of different colors.

The advantage of women's boots is the breathable knit upper, which ensures excellent air ventilation. The tip of the recreational sneakers is reinforced with additional synthetic material for better protection of the toes. Sneakers for ladies have a soft insole on the inside that guarantees all-day comfort. The walking shoes have a flexible sole with optimal grip. White Anta sneakers are excellent companions for everyday wear, for work, in the city, for shopping and leisure.
