Description

Anta brand women's shoes. Arenas training boots impress with their clean lines in a sporty design. Sports sneakers for ladies are excellently combined with t-shirts, sweatshirts and trousers of various colors. The upper of the training sneakers, which is a combination of mesh and synthetic material, will ensure excellent air ventilation.

The toe and heel of the sports boots are reinforced with additional material for better protection of the foot. The soft inner insole ensures comfort during training. The midsole of women's boots provides excellent cushioning and shock absorption. White boots are an ideal choice for sports activities, exercise and active leisure time.
