Suggested retail price: 49.99 € s DPH

Description

Ziener cycling jersey. The Nobus functional jersey with a half front zipper and a stand-up collar guarantees optimal wearing comfort thanks to the quick-drying and flexible material.

The most important things can be stored in the back pocket of the cycling jersey. The silicone coating on the back hem ensures a perfect hold on the back. An interesting element is the fashionable print on the right sleeve and back pocket. The orange jersey is a great companion on bike trips.
