### Description

Ziener cycling jersey. The Nofret men's functional jersey with a front zipper will catch the eye with its trendy look. The cycling jersey has a mesh insert on the back for optimal air circulation. The silicone coating on the back hem and on the sleeves ensures a perfect fit. The quick-drying elastic fabric of the men's jersey ensures maximum performance.

Three back pockets offer enough space for personal items. The middle pocket is also equipped with a fabric flap to keep the contents from falling out. The blue jersey is the perfect companion for cycling trips.
