### Description

Crocs brand sandals. Crocs Classic digital aqua are in a stylish blue design, thanks to which no one will notice you. Blue sandals are light and flexible. The recreational shoe features a traditional one-piece design, which is made of Croslite material. Croslite material is an antimicrobial synthetic foam that eliminates odor well and is a guarantee of all-day comfort.

Summer shoes have a heel strap that offers a more precise fit. The perforated upper has ventilation holes that ensure excellent air ventilation. The shape of the insole increases arch support. Crocs for ladies and gentlemen are excellent companions for vacations, the pool and the beach. Also ideal for casual and home wear.
