**Description**

Girls' shorts brand 4F. Shorts made of sweatpants are the ideal companion for warm summer days and will save you from even the greatest heat. Girls' shorts have a looser cut, which guarantees a good range of motion and all-day comfort when wearing them. The sweatpants are in a gray color, which is among the favorites and will please every little princess. They have stylish inscriptions on the sides and are complemented by pink details that are really cool. 4F Girls shorts can be combined very well with summer t-shirts and sports sneakers.

The stylish shorts have two practical side pockets, in which you can hide your most important valuables. Branded shorts have an elastic waist that can be quickly adjusted using adjustable laces. They have a high proportion of cotton, which is a guarantee of good breathability. It's a must-have piece this summer and won't let them down either on city chases or on the playground. They are the ideal companion for everyday wear at home, for training, for rings, for ice cream in the city or on trips.
