### Description

Street Surfing brand scooter. The scooter in blue-black color will especially appeal to boys! It is built for children and juniors from 8 years old, it is ideal for riders with a height of around 130 cm. The scooter for juniors can be quickly folded, so you can simply and easily transport it to where you need it or store it. Its length is 79 cm, the handlebars can be adjusted between 77 and 90 cm.

The frame of the scooter for children has a substantial part of aluminum, so it is light and easy to carry. Its maximum load capacity is 100 kg. The wheels are made of durable rubber and PU. When riding, you can rely on ABEC 7 bearings. The diameter of the wheels is 5.71". The rider places his feet on a tread with a length of 49 cm and a width of 10.5 cm. The height of the tread from the ground is 6 cm. Ideal as a recreational scooter for children and juniors for a great free time!
