Description

Men's shorts brand Northfinder. Outdoor shorts perfectly fulfill the idea of an active summer full of movement and sporting challenges. Thanks to the elastic waist and the functional elastic fabric, the trekking shorts are easy to wear. Forest shorts provide a high level of mobility.

The base of the hiking shorts is a light and breathable nylon fabric that dries quickly. The proven cut ensures great comfort during wear. You can place all the necessary little things in two side pockets and one pocket on the back. Blue shorts for men are ideal for outdoor adventures, trekking, camping and trips in nature.

Product details:

- The flexible material brings extreme breathability and amazing movement comfort
- PFC free surface treatment against soaking
- Elastic waistband with snap fasteners
- Two well-placed pockets with YKK® zippers complete the back pocket
- Laser cutting is used to shape the pocket on the thigh
- Weight: 225g (M)
