Description

Nike brand socks. Classic white socks for everyday wear will be your go-to socks! Soft fabric with excellent ability to wick sweat away from the skin, these socks will keep your feet dry and comfortable. High white socks must not be missing in your wardrobe!

The high socks have Dri-Fit technology that helps keep the feet comfortable, a ribbed upper part and an instep part that ensure a good fit on the foot and built-in arch support. Cotton socks are suitable for everyday wear.
