Description

Roller skates of the brand Fila skates. Legacy Pro 100 inline skates are designed in a modern design. Skates surprise with a great combination of speed and control. Air Flow technology ensures excellent air circulation. Roller skates are an ideal gift for women and men who enjoy skating.

The aluminum frame and 100 mm wheels ensure great maneuverability. Soft inner padding ensures perfect comfort while skating. The inline boots are fastened with laces, a Velcro strap and a plastic strap that can be tightened as needed. Fila skates are a great choice for demanding skaters for their support and performance. If you like long rides on skates, this model is exactly for you.

When buying skates, we recommend buying [a spare brake](#) . The brake is worn out by braking and therefore needs to be replaced. Wear depends on skating style, braking and frequency of skate use. Brake types change and it is possible that new models differ in technical specifications from older models. New types of brakes may not fit older types of skates.

Product details:

- Chassis: Aluminum 6000
- wheel size: 100 mm

- wheel hardness: 84A
- bearings: ABEC 7
- great support and performance
- very good breathability
- excellent comfort
