**Description**

Coqui children's shoes. Crocs for children will attract attention with a beautiful turquoise color. Children's crocs are decorated with a blue stripe with the inscription Summer Vibes. The upper part of the shoes for children is perforated for excellent breathability. The top of the children's shoes is decorated with two hearts and colorful ice cream.

Children's crocs are made of durable material that is stable in shape. The plus of crocs for children is water resistance. Ergonomic properties predetermine these Coqui crocs as excellent footwear for children. The heel strap keeps the foot in place well. Blue crocs are perfect companions for vacations, to the pool, to the water and for free time.
