Description

Coqui children's shoes. Crocs for children will especially attract little girls with their beautiful girlish look. The top of children's crocs is decorated with a print of hearts. There is also a small pink heart that looks cute. You can easily combine children's crocs with summer dresses, colorful T-shirts and shorts for children.

Crocs for children have a pleasant insole that ensures all-day comfort when worn. Children's footwear will please with its resistance and shape stability. Crocs for girls are ideal for small children thanks to their ergonomic properties. The anti-slip sole does not leave marks. Gray crocs with pink elements are great companions for leisure activities, for vacations, trips, to the beach and to the water.
