**Description**

Women's flip flops brand Coqui. The flip flops will attract attention with a beautiful print on the insole made of flowers and birds. The shiny strap in bronze color looks trendy. The bonus of the strap is the padding on the underside, which is soft and guarantees comfort when wearing. You can easily combine black flip flops with summer dresses, skirts and women's shorts. Thanks to these elegant flip-flops, you will always create a great look.

The benefit of summer flip-flops is the durable material and antibacterial properties of the CoquiAir material. In addition, the beach shoes are water-resistant and shape-resistant. The ergonomic design allows comfort when wearing. The sole of the trendy flip-flops is non-slip. Branded flip-flops are the perfect choice for vacations, the beach, and leisure time.
