### Description

Voxx hiking socks. Mid-high socks are made for hiking trips. Unisex hiking boot socks are dark gray in combination with black. You can find the brand logo on the back above the heel. The hiking socks have a reinforced foot for long hours of walking.

The ankle socks for hiking are made of viscose-bamboo, which is a natural yarn with a high luster, is soft and pleasant to the skin, and has natural antibacterial properties, as well as natural anti-allergic properties. They are extra comfortable, have a reinforced tip and the area above the heel against the formation of bruises. Put on your favorite hiking boots and you're good to go! Socks belong to temperature class A: from +10°C to +35°C.
