### Description

Voxx hiking socks. Extremely comfortable hiking socks ideal for men and women. Dark green socks with black, gray and yellow elements. The high socks have a comfortable, elastic hem that does not miss or constrict anywhere.

Trekking socks are made of pleasant cotton material that is pleasant to the skin and wicks away moisture very well. The socks reach about halfway up the calves. Also suitable for high hiking boots. Socks for outdoor activities have reinforced zones where pressure sores often occur and thus prevent them. The heel and toe are reinforced for extra durability of the socks. The brand logo can be found at the hem. Socks belong to temperature class A: from +10°C to +35°C.
