### Description

Voxx hiking socks. Who said hiking socks can't be stylish? These branded hiking socks will prove to you that they can! The socks are of an unusual yellow color with gray elements, which will beautifully brighten up the tourist outfit. The high socks have a comfortable, elastic hem that does not miss or constrict anywhere. Extremely comfortable to wear!

Socks for hiking and trekking are made of pleasant cotton material that is pleasant to the skin and wicks away moisture very well. The socks reach about halfway up the calves. Also suitable for high hiking boots. Outdoor socks have reinforced zones where pressure sores often occur and thus prevent them. The heel and toe are reinforced for extra durability of the socks. The brand logo is located at the top edge. Socks belong to temperature class A: from +10°C to +35°C.
