Description

Cycling helmet brand RH+. You have to take care of your health and therefore you don't have to hesitate when making the right investment in sports equipment. The RH+-2in1 model is one of the most advanced, lightest and at the same time most comfortable helmets on our market. If you are a fan of fast driving, love adrenaline and want to experience new adventures, this piece is perfect for you. The bicycle helmet is in a white design, in which no one will miss you and it has very good breathability. The professional helmet has the Power Fit 2 fastening system, which ensures sufficient stability of the helmet on your head.

The brand's helmet boasts of its light weight and has a side separator that ensures you can adjust the fastening system faster. It has reflective elements in highly visible places for your best protection. The lightweight helmet has a removable and washable anti-allergic padding made of 3D mesh rh+ Fire Dry fabric, which you can remove and ensures good sweat and odor removal and all-day comfort during sports.
