Description

Voxx brand socks. The Ray running socks will attract attention with a distinctive neon pink design. Running socks ensure very good air ventilation. The mesh parts of the Voxx socks allow for even better breathability.

The advantage of running socks is excellent sweat drainage. Thanks to this function, your feet are always dry. Socks for both ladies and gentlemen have reflective parts that increase safety in low light conditions. Pink socks are great companions for running, sports activities and active leisure time. Socks belong to temperature class A: from +10°C to +35°C.
