Description

Fila brand socks. Fila sports socks are well known and popular because of their trendy design. The stylish socks have a longer cut and are in black, which is the most wearable. The branded socks have a design of clean lines, which complements the minimalist logo of the brand.

There are 3 pairs of black socks in the package. Quality socks are made of light, soft fabric and are a guarantee of very good air ventilation and wick away sweat well. Fila socks are stretchy and adapt perfectly to the foot. They are suitable for everyday wear and we can use them for sports and leisure activities.
