Description

Fila brand socks. The stylish socks are in white design with clean lines. White socks are among the most popular because of their style and minimalistic logo that gives them a twist. Sports socks in a package containing 3 pairs. Socks never disappoint.

Quality socks are made of light breathable fabric, which means that they will provide you with very good air permeability. Branded socks have a longer cut that will please you even in colder weather. Higher socks are elastic and adapt perfectly to the foot. White socks are suitable for everyday wear for sports and leisure activities.
