Description

Cycling pump brand Lezyne. The compact bike-friendly pump is super efficient and is a high volume hand pump with a knurled handle for the best grip. The practical pump is made of machined aluminum, which is a guarantee of long-term durability, is light and has a stylish design.

The Lezyne pump has an integrated ABS Flex tube with a check valve and auto valves and is hidden in the pump body. A big benefit is that it is 100% recyclable and made of the highest quality materials. The maximum pressure is up to 90 PSI (6.2 BAR) and is the ideal companion for mountain bikes and gravel bikes.
