Description

Vans women's tank top. The tank top will especially appeal to ladies who like timeless design. The undershirt for ladies is decorated with the inscription Vans Off the wall since 1966 on the front. A modern T-shirt can be perfectly combined with jeans and shorts of different colors.

The material of the trendy tank top contains a high proportion of cotton, which makes it very comfortable and pleasant to wear. The Vans undershirt is a guarantee of all-day comfort. Elastane in the fabric ensures fine elasticity. The tank top adapts perfectly to the figure. The light blue tank top is ideal for casual wear, to the city, for shopping and leisure activities.
