Description

Running socks from Nike. Nike socks are great for sports activities. They will give you comfort during sports activities. Multilayer socks are equipped with fabric that absorbs sweat very well. There are two pairs in the package in gray and blue. Colorful socks are decorated with the logo and brand name. The branded socks have an arch band in the middle of the foot that provides support and a snug fit.

The sports socks stay dry all the time, thanks to excellent sweat-wicking technology. If you lead an active lifestyle, these socks are the perfect companion for you. You can use Nike socks for various sports activities, such as running or going to the gym.
