Description

Everett women's leggings. Hiking leggings will appeal to ladies who prefer a design with clean lines. The black leggings are complemented by a larger Everett inscription. Leggings for ladies have a tight fit that accentuates women's curves. Elastic leggings ensure a high level of movement.

The advantage of trekking leggings is a smaller pocket for storing small items. A high waist is also an advantage. Trekking leggings are made of pleasant material that is also flexible. Combine the leggings for the mountains with a hiking t-shirt and a sweatshirt for ladies and go on an interesting hiking expedition.
