Description

Under Armor cap. The universal branded cap is made of material that has undergone surface treatment and thanks to the UA Storm 1 technology, the cap repels water without reducing its breathability. The winter hat is made of soft fleece fabric with a brushed surface.

The winter hat has a pleasantly warm inner lining made of Armor Fleece material, which is flexible and breathable at the same time. The sports cap perfectly retains heat and protects you in colder weather. The UA logo is located on the front. The Under Armor cap is also suitable for sports activities in colder weather.
